

ESCAPING ROTTERDAM

Release-Form

Welcome to Escaping Rotterdam. Thank you for joining us!

The idea of a Escape room is easy. You are locked inside of a room and you need to try to escape the room within a certain time. You play in a room like it were a real live exit game. You play one with a group of friends or colleagues, for example. The room often has a theme. There are escape rooms with many different themes such as the girls room, James bond, a prison or in the case of Escaping Rotterdam a ticking time bomb in The Engine Room of a submarine. It's supposed to be by riddles, puzzles and clues to escape out of the room or to escape by dismantling the bomb.
